If you have any information you would like to share with the other members of the department, or professional or special events happening in your life, please e-mail Lynne at Lynne.Buckingham@wrightstatephysicians.org by the 15th of the month. The Faculty and Staff Update will be e-mailed the first of the month.

Chair's Message

Congratulations to the students, residents, and faculty who presented at Academic Surgical Week! Our department was well represented, both by attendance and oral presentations. I encourage everyone to submit to this nationally recognized forum and join the Association for Academic Surgery. I have been told our residency is a "best-kept secret." Let's not keep it a secret anymore! Help Wright State become a leader in academic surgery.

Recruitment

We are recruiting for acute care surgeons at the Assistant, Associate or Full Professor levels. If you know of good candidates, please contact Dr. Peter Ekeh.

Faculty

The 2018 Group on Faculty Affairs Professional Development Conference Gateways to Empowerment is accepting proposals for podium and poster presentations for this year's GFA Summer Professional Development Conference to be held July 13-15 in St. Louis.

T32 Training Grants Opportunity

A T32 training slot in oncology research is available at Roswell Park Comprehensive Cancer Center in Buffalo. This is a funded two-year training opportunity in laboratory research that will prepare any resident for oncology fellowships and laboratory research.

Interested applicants should send an email with a statement of interest and their CV. Final selections will be made by John Kane, M.D., chief of surgical oncology at Roswell Park.

Academic Surgical Congress was held on January 30 through February 1. The Department of Surgery was well represented.

Students

Our Department Surgery Club is now listed in the ASC SIG registry. Please see: <https://www.facs.org/medical-students/sigs/directory>. Thanks to Andrew Drozd for completing the application!

Wright State Physicians

Claire joined the Wright State Department of Surgery as the new Trauma Research Nurse. She received a bachelor's degree in nursing from Duquesne University in Pittsburgh. She previously practiced as a Registered Nurse on the Inpatient Trauma Unit at Miami Valley Hospital. She is currently working on

her Certificate of Clinical Research, with hopes of continuing to her master's. In her free time, Claire enjoys hiking, boxing, and continuing to work as a bedside nurse on the Trauma Unit. Claire can be reached at cehardman@premierhealth.com. Please stop by and welcome Claire to the department!
